

[BUSINESS CHALLENGES. FONTIS ANSWERS.]

Fast Facts about Fontis Solutions

Who We Are	Fontis Solutions is a business and marketing communications company that helps our clients improve the return on all of their branded communications.
What We Do	We become the 'Go to Resource' for easy management of multiple sources, vendors and media by acting as an extension of our client's staff. We save client's money by implementing more efficient processes. We make client's money by creating more effective and brand compliant promotions. By integrating multiple types of media, we ensure more effective and cost efficient communications. Our Brand Center technology makes accessing communication products easy and also keeps local marketing brand compliant and successful.
Who We Work With	As a Safeguard company, we service clients nationally and globally from our offices in California.
